Hazard Identification & Reporting:

All hazards, injuries, and near misses must be reported to the site supervisor immediately:

- ✔️ Report hazards to the site supervisor.
- ✔️ Do not remove safety barriers or warning signs.
- ✔️ Follow risk control measures as directed.

High Risk Construction Work & SWMS:

A SWMS is a document that helps identify the **high risk construction work** (HRCW) to be carried out at a workplace, the hazards arising from these activities, and the measures to be put in place to control the risks. SWMS must be prepared before HRCW commences.

The Occupational Health and Safety Regulations 2017 (OHS Regulations) require employers and self-employed persons to prepare a SWMS before starting HRCW.

Acknowledgment:

Your employer must discuss safety risks with you and the procedures you will both have in place to ensure that your tasks can be completed safely.

If you do not understand which work tasks you undertake are considered as **high risk construction work** and how a **SWMS** form is used contact your site supervisor or employer immediately.

Sexual Harassment & Workplace Bullying:

Sexual harassment and workplace bullying will not be tolerated under any circumstances, a zero-tolerance policy for harassment and bullying is in place.

What is Sexual Harassment?

Sexual harassment is any **unwanted or unwelcome behaviour of a sexual nature** that makes a person feel offended, humiliated, or intimidated. It can include (but is not limited to):

- ❌ Unwanted touching, gestures, or physical contact
- ❌ Sexual comments, jokes, or suggestive remarks
- ❌ Displaying offensive material (e.g., images, posters)
- ❌ Requests for sexual favours or repeated unwelcome advances
- ❌ Inappropriate messages, emails, or social media contact

What is Workplace Bullying?

Workplace bullying is **repeated and unreasonable behaviour** directed at a worker or group of workers that creates a risk to health and safety. This can include:

- ❌ Verbal abuse, insults, or intimidation,
- ❌ Spreading rumours or excluding someone from work activities,
- ❌ Unfair treatment or augmenting impossible working conditions,
- ❌ Deliberately withholding information or resources needed to do a job,
- ❌ Physical threats or actual violence,
- ❌ Unfair treatment of an individual based on their race or religion,

Responsibilities of All Workers

- ✔️ Treat all co-workers, supervisors, visitors to the site and members of the public with respect.
- ✔️ Speak up if you witness inappropriate behaviour—report concerns to your supervisor immediately.
- ✔️ Do not engage in or tolerate any form of harassment or bullying witnessed towards a co-worker.
- ✔️ Report incidents confidentially to the **Site Supervisor, HR, or the OH&S Representative.**

Reporting and Consequences

- 📌 **All reports will be taken seriously and handled confidentially.**
- 📌 **WorkSafe Victoria and Fair Work Australia regulations apply.**
- 📌 **Disciplinary action, including removal from site, may result from breaches of this policy.**

Acknowledgment:

Please ensure that you have read and understand the **Sexual Harassment & Workplace Bullying Policy**. If you do not abide by these guidelines and understand the consequences of misconduct.

If you do not understand the Sexual Harassment & Workplace Bullying Policy contact your site supervisor or employer immediately.

Gender Equality & Inclusion:

All workers, regardless of gender, background, or personal characteristics, must be treated with fairness, dignity, and respect.

Everyone has the right to work in a safe and respectful environment, free from sexism, harassment, or exclusion.

Discrimination, bias, or unfair treatment based on gender or gender identity will **not be tolerated**.

A zero tolerance policy applies to the following behaviours:

- ❌ Gender-based insults, jokes, or derogatory remarks,
- ❌ Unequal opportunities for training, work allocation, or promotion based on gender,
- ❌ Excluding or isolating workers based on gender,
- ❌ Making assumptions about someone's ability based on gender,
- ❌ Making comments or assumptions about someone's personality based on gender,

Reporting & Consequences:

- 📌 **All reports will be taken seriously and handled confidentially.**
- 📌 **WorkSafe Victoria, Fair Work Australia, and the Victorian Equal Opportunity Act apply.**
- 📌 **Disciplinary action, including removal from site, may result from breaches of this policy.**

Acknowledgment

Please ensure that you have read and understand the **Gender Equality & Inclusion Policy**, that you understand your responsibility to comply with these guidelines and understand the consequences of misconduct.

If you do not understand the Gender Equality & Inclusion Policy contact your site supervisor or employer immediately.

Sun Safety, Skin Cancer Prevention & Sunscreen:

Working outdoors exposes construction workers to harmful ultraviolet (UV) radiation, which can cause sunburn, skin damage, premature aging, and skin cancer. This site is committed to minimising the risks of UV exposure and ensuring all workers are protected from sun-related health hazards.

Sun Safety Requirements:

All workers must take appropriate precautions to protect themselves from UV exposure, especially during peak sun hours (10 am – 4 pm).

Recommendations:

✔️ **Wear Sun-Safe PPE** – Wide-brimmed hats, long-sleeved shirts, and UV-rated sunglasses are recommended in addition to standard PPE.

✔️ **Use Sunscreen** – SPF 30+ (or higher) broad-spectrum, water-resistant sunscreen must be applied before starting work and every 2 hours. Sunscreen is available on-site.

✔️ **Seek Shade** – Use shaded areas for breaks and avoid direct sun exposure where possible.

✔️ **Stay Hydrated** – Drink plenty of water to prevent dehydration.

✔️ **Monitor for Skin Changes** – Report any new or unusual spots, moles, or skin changes to your doctor.

Sunscreen:

Sunscreen is provided at the first aid station, please feel free to use this as often as required.

Worker Responsibilities

✅ **Follow all sun safety guidelines** and take personal responsibility for sun protection.

✅ **Apply sunscreen regularly** and wear appropriate sun-safe PPE.

✅ **Report any concerns** about inadequate sun protection measures.

Reporting & Consequences

📌 Failure to follow sun safety guidelines may result in disciplinary action.

📌 UV exposure is a workplace hazard, non-compliance with sun protection measures may be a breach of OH&S requirements.

Acknowledgment

Please ensure you understand the dangers of skin exposure to sun and UV radiation, comply with these guidelines and take responsibility for your sun protection while working on-site.

If you do not understand the dangers of skin exposure to sun and UV radiation contact your site supervisor or employer immediately.
